

Pot Kiln Primary School

PE and Sport Premium Funding 2017-18

Overview

Pot Kiln Primary School recognises the vital contribution of physical education to a child's physical, cognitive, social and emotional development as well as the role it can play in a child's spiritual, moral and cultural development.

We aim to provide a broad and balanced PE curriculum to aid children's increasing self-confidence in their ability to manage themselves and their bodies. We aim to cater for the different strengths, needs and preferences of each child, using differentiated activities where appropriate. We believe that through the variety of opportunities that PE offers, children can develop a sense of personal achievement, fair play, teamwork and an understanding of the ways in which sport can break down social and cultural boundaries. All children are encouraged to join clubs and extend their interest and involvement in sport.

We encourage children to develop their creative and expressive abilities, through improvisation and problem-solving. Children are taught to appreciate the importance of a healthy and fit body, and begin to understand factors which affect health and fitness. We adhere to the National Curriculum and ensure our children are swim ready when leaving Pot Kiln. We strive to build key relationships and have partnerships with Suffolk schools (Sports partnership) and Thomas Gainsborough School.

Through the Government Funding for sport, Pot Kiln aims to create a sporting habit for life amongst its pupils and promote the ethos 'Be the Best You Can Be', thus encouraging sport and fitness outside the curriculum and creating positive perceptions from both pupils and their families.

Longevity and sustainability are considered when making spending decisions. Where possible, the school will provide opportunities for staff to gain coaching qualifications so pupils will be able to work with PE specialists. The funding will enable the PE curriculum to become more diverse encouraging children to participate in activities many will not have tried before.

To plan and assess we are focussing on three areas:-

Improving the Quality of PE Teaching

Increasing Pupil Participation

Improving Pupil Health & Wellbeing
