

Year Groups: 1

Term: Summer

Teacher: Miss Harris

Topic: Islands and Trees

Covid-19 Recovery Plan

In the Summer term the wider curriculum subjects will be taught in blocked weeks. We intend that each week will include a reading, writing or mathematics focus. This is in line with our subject Covid-19 Recovery planning.

Art and Design

We will develop our painting techniques and understand that how to make different shades, brush marks and new colours.
We will be learning about 3D art by exploring art by Andy Goldsworthy and making natural sculptures.

Personal, Social, Health and Emotional:

We will be exploring 'Connect', knowing that I belong to a class and school. In the second part of the term we will be exploring 'Capable', believing that we can achieve the goals that we set for ourselves.

Philosophy:

We will use a range of philosophical questions to discuss the actions of characters in the books that we share during story time.

Spiritual, Moral, Social and Cultural:

We will encourage the children to think happy and feel happy. This links with PSHE curriculum and virtual whole school assemblies.

Computing:

We will be exploring algorithms to direct a bee-bot as well as coding and programming.

Design Technology

We will be designing and making a house linked to our History topic of the Fire of London.

Learning Together:

Due to the current restrictions in England parents will be unable to come in to school to participate in their child's learning.

Pot Kiln Primary School

Maths:

This term we will be learning about measurement, multiplication and division, place value within 100 geometry and the properties of shape, money and fractions.

P.E:

In PE this term we will be completing our daily mile each day and completing our dance and athletics work during our PE lessons.

Learning Outside the Classroom:

Learning will take place outside the classroom across the curriculum wherever possible.

English:

During the first half term we will be studying 'Grandad's Island' where we will be looking at including a range of features in our writing. In the second part of the term we will be looking at 'Our Trip into the Woods' as a non-fiction text.

R.E:

We will be exploring parables and gospels as well as prayer and worship in Christianity.

MFL:

In French we will continue to practice learning our numbers, colours, days of the week and simple greetings.

History:

We will be learning about the Great Fire of London as well as people of great significance from our area such as Thomas Gainsborough.

Music:

In music we will be exploring classic rock and reggae. We will be learning about pulse, rhythm and pitch. We will be singing and playing instruments.

Science:

In science, we will be exploring plant structure as well as different types of plants. We will also be returning to our work on the different seasons so we can see the differences the weather makes to our lives and activities.

Geography:

We will be looking at physical Geography, especially in relation to Daws Hall.
