

## Headteacher's Message

### Arrangements for September are as follows:

All pupils (except for Nursery pupils) will arrive for 08:30am. All pupils (except for Nursery) will leave at 3:00pm. Parents/carers will be able to come onto the playground in the mornings, but there will be different drop off zones/places for each class. We will put all the detail in a letter for next Tuesday and it will also be published on our website.

Classes will be able to mix with other classes (as long as the situation with Covid allows) at break times and lunchtimes. This will be limited to a small number of classes (3) to begin with in September. All children in Reception start full-time on the 6<sup>th</sup> September, alongside all children in Years 1-6. Details about Nursery, times and dates will come out next Tuesday.

A big "thank you" to those staff leaving for pastures new at the end of this term.

Mr Stevens has been a hugely influential member of staff for a good many years and served our school so well. Our grateful thanks and best wishes to him.

Mrs Lei Plant has had an eventful year as a Newly Qualified teacher. She has ended it with outstanding practice in Cherry Class. Our grateful thanks and best wishes to her.

Lastly, someone is leaving who has not had a high profile in the school community due to her role as School Business Manager, Mrs Morley. However, she has been an absolute star in every way and has enabled the school to function much more effectively. Mrs Morley leaves with our grateful thanks for a brilliant job done.

I hope you enjoy the wonderful photographs of Hawthorn's performance of Aladdin. Huge congratulations to all the pupils and staff involved in the production – you were all absolutely brilliant.

Finally, thank you all for a wonderful - if highly unusual due to Covid - start to my time as Headteacher at Pot Kiln. I look forward to getting to know you better in the coming terms. Have a safe holiday.
